**DERESERVATION POLICY**

After thorough consideration of the state reservation policy recommended by the Directorate of Universities and Higher Education vide its order No. 3/123/92-EDC/1157 dated 20<sup>th</sup> June, 2012 and also considering the possibility of large number of ST candidates seeking admission to the college which is located in a tribal dominated hilly region, the Academic Council of the College recommended that the number of seats earmarked for the reserved categories namely ST, OBC and SC may be rearranged, if necessary by dereserving the 50% of seats earmarked for General candidates so as to enable to accommodate the excess number of ST candidates.

Now, therefore, as an interim arrangement, it is hereby notified that whenever number of applications for new admission comes from ST candidates in excess to the seats earmarked for them as per state reservation policy, utmost efforts may be made so as to accommodate the excess ST candidates by dereserving the 50% seats earmarked for general candidates in the interest of uplifting the socio-economically backward ST candidates from the academic session 2015-16 until further order in this effect.

However, normal admission procedures will be followed in all categories of candidates seeking admission to the college.
