The theme of the social service programme is on National Cleanliness. This programme is initiated primarily in continuation and support of Swachh Bharat Mission in the nation-wide campaign in India for the period 2013 to 2019 that aims to clean up the streets, roads and infrastructure of India's cities, towns, rural areas including educational institutions. The programme is also known as "Clean India Mission" introduced and campaign by Hon'ble Prime Minister of India, Narendra Modi. Presidency College Motbung is very much pleased and supported this idea of Clean India Mission initiated by our Hon'ble Prime Minister and have been organised such kind of social service for the last many years. In the programme, we collected substances in different form. We divided three sections for the collected materials like (i) non organic waste, (ii) vermi composting chamber, (iii) biodegradable waste.

- ii. We collected dry leaves in a vermi composting container that will go for processing vermi culture by using waste organic matter like dry leaves and earthworms in a specially designed pit.

- i. Non organic waste: We collected non-organic substances like plastic and other similar substances in a separate container and send to the Solid Waste Management at Lamdeng.
