

To

The Principal,  
Presidency College, Motbung.

Subject: Request for organizing "One Day Awareness Programme on Zoonotic Diseases of Livestock Animal and their control".

Madam,

It is pleasure to informed you that NSS Unit, Presidency College, Motbung in collaboration with Deputy Director, Kangpokpi Veterinary Hospital, Government of Manipur is going to organize A One Day Awareness Programme on Zoonotic Diseases of Livestock Animal and their control on 16<sup>th</sup> December, 2020 at Charhazare at 11 a.m. Therefore I would like to request to allow the Programme along with the 20 members of the Red Cross Unit of the College.

Dated: 10<sup>th</sup> December, 2020.

  
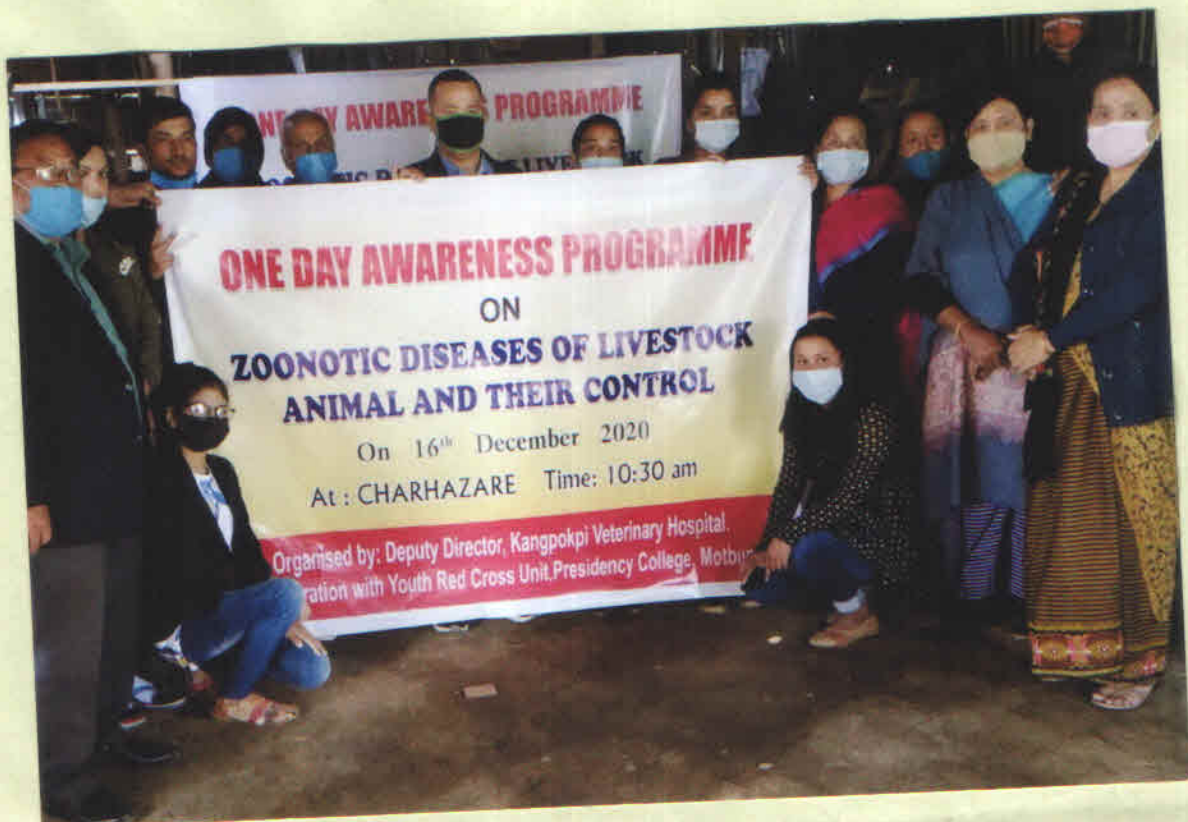

Dr. L. Rameshwor Singh  
Programme Officer  
NSS Unit  
Presidency College, Motbung

Programme Officer, NSS Unit  
Presidency College, Motbung

**Name of the Programme:** One Day Awareness Programme on Zoonotic Diseases of Livestock animal and their control.

The Surrounding villages of Motbung area are mostly farmers. Cattle rearing is one of the main source of income of the villagers. As the cold season started in the region, many communicable diseases among the animals such as African swine fever, Foot and mouth diseases, T.B. and Rabies etc. are spreading in some parts in Manipur specially in Ukhrul, Kangpokpi, Senapati, Chandel and Churachandpur districts. It becomes endangered as some diseases are communicable from animal to human beings and vice versa. As a precautionary measures in this regard, Deputy Director, Kangpokpi Veterinary Hospital, Government of Manipur in collaboration with **Youth Red Cross Unit, Presidency College**, Motbung organised One Day Awareness Programme on Zoonotic diseases of livestock animal and their control on 16th December, 2020 at Charharzare. About thirty farmers participated in the programme. Doctor, R.K. Harshyam Singh, Deputy Director, Veterinary Hospital, Kangpokpi and Chief Guest of the Programme highlighted the importance of such Awareness Programme specially in such critical time of COVID-19 pandemic that can prevent from many communicable diseases from animal to human being and vice versa. Doctor Sashikanta, Veterinary doctor, Veterinary Hospital, Kangpokpi spoke various diseases which are common to animal and that also can be spread to human being. He spoke on common zoonotic diseases like rabies, T.B. which are very common as well as communicable to human beings. Besides, he also highlighted some common diseases among animals such as Brucellosis which causes infertility, African Swine fever that is found in pig and foot and mouth diseases of cattle etc. M. Kamalabati, Associate Professor and Head, Department of Anthropology, Presidency College Motbung spoke the importance of such programme especially in such remote village. Dr. L. Rameshwor Singh, Co-Ordinator Youth Red Cross Unit, Presidency College Motbung gave the vote of thanks to the resource persons, veterinary hospital Kangpokpi, and the farmers for organising the programme successfully. He also requested the Department to organise such kind of awareness programme in the near future.

**Participants List for Awareness on Zoonotic Diseases held on 16th December 2020**
