WELCOME NOTE FROM THE PRINCIPAL

Dear Students, Parents, and Esteemed Visitors,

It is with great pride, privilege and enthusiasm that I welcome you all to Presidency College, Motbung, Kangpokpi District, Manipur. It is the only Government College with NAAC B Grade accredited college in the district. The institution is a place where knowledge meets inspiration and potential transforms into achievement. Our institution has been dedicated to fostering academic excellence, holistic development, and ethical leadership since its establishment in 1973 under the able academic and visionary leadership of its founder chairman (L) Pu Henkholen Sithlou.

We believe in nurturing curious minds, inspiring innovation, and fostering a spirit of integrity and inclusiveness. Our dedicated faculty, well equipped infrastructure, and vibrant campus culture provide students with the ideal environment to grow both academically and personally. We are committed to creating opportunities for students to explore their potential and prepare them to meet the challenges of a rapidly changing world.

We take pride in our alumni who have made their mark in various fields, and we continue to strive towards raising the bar in higher education.

What sets us apart is our unwavering commitment to personalized education and community involvement. We believe education extends beyond the classroom, encouraging students to engage in research, cultural activities, and social initiatives that enrich their experience and foster a sense of purpose.

As you turn these pages and discover more about our programs, facilities, and achievements, I invite you to become a part of our journey toward knowledge, leadership, and service

Thank you for choosing Presidency College. Together, we will embark on a journey of discovery, growth, and success.

Warm regards,

(Dr Sheikhohao Kipgen)
Principal,
Presidency College, Motbung
Ph. # 9862920419

Note from the IQAC Coordinator

It gives me great pleasure to share a few words through this prospectus, which reflects the spirit, vision, and commitment of Presidency College, toward academic excellence and quality enhancement.

As the Coordinator of the Internal Quality Assurance Cell (IQAC), I have witnessed the dedication of our faculty, staff, and students in striving toward continuous improvement. The IQAC works as a catalyst in promoting a culture of quality through innovative teaching practices, rigorous evaluation, research encouragement, and inclusive participation.

Our goal is not only to meet the standards of regulatory bodies but to create an environment that nurtures critical thinking, social responsibility, and lifelong learning. We believe that true quality comes from within through reflection, dialogue, and collective growth.

I invite you to become part of this vibrant academic community, where quality is not just a benchmark, but a way of life.

Presidency College

ABOUT OUR COLLEGE

Presidency College, Motbung is the only Government College in Kangpokpi District of Manipur state, India. Pu Henkholen Sithhou (01/07/1927-09/11/2013) is the founder of the College.

It was established on the 10th July 1973, with the specific aim of catering to the aspirations of the tribal community in the hilly areas of the then Senapati district, now Kangpokpi district of Manipur. It is one of the premier colleges in Manipur and received permanent affiliation from Manipur University, Canchipur, Imphal, Manipur since 1980. It is recognised by UGC under section 2(F) and 12(B) of the UGC Act 1956 vide letter No. MU/8/9/82-UGC(A)/3744 dated 12/11/1982. Having established with modest infrastructure and sheer determination, the college has grown from strength to strength and has become one of the best centres of learning in the state. The College is located at a hillside which is a part of the mighty Koubru Range, at a distance of about 26 km from the capital city Imphal towards the north along the National Highway No. 39, now known as Asian Highway No.1. The College straddles on a vast area of 21.59 acres (i.e. 87371.6 sq.m) of land with a constructed area of about 57135 Sq. m. (i.e. 65.4% of the total area). The area where the college lies is under 50-Saitu ST-Assembly Constituency.

Presidency College is a co-educational institution. Since its inception, the college has introduced both General and Honours for undergraduate Degree Courses in various subjects in Arts and Science streams. Further, Four Year Undergraduate Programme (FYUP) aligned with the National Education Policy (NEP 2020) has been introduced in the College from the 2022-23 academic session. Presidency College, Motbung is striving its best to commensurate with globalisation so as to meet the aspirations of the new generation.

Vision

Henkholen Sithhou
Founder Principal,
Presidency College

The College has a clear vision to make education as a source of inspiration for an overall development and strive for equality irrespective of race, ethnicity and cultural diversity. Presidency College envisions a world where all sections of people have their rightful place and are given due recognition as leaders in all sectors of human endeavours. To give shape to this vision, Presidency College continually reaffirms and embraces its responsibilities to build on its historic legacy of leadership in education of tribal and economically backward community.

Presidency College was established with the objective of providing quality education and opportunity to the students living in the hill districts in particular and every section of the society in general, to compete with the best in the world.

Mission

The College has a mission “To foster both teachers and students, the quest and love for accumulation of knowledge with a sense of moral, ethical and social responsibility through education”.

In order to achieve this mission, the college keeps the following objectives:

- To enable a motivating environment, both curricular and extra-curricular, that will encourage the students to learn, enquire, explore and expand the possibilities of their future within and beyond their geographical boundary.
- To inculcate in the diverse composition of students, the promotion of our democratic values and the importance of the celebration of our cultural diversity.
- To utilize the abundance of the natural greenery of the campus and its surrounding areas in fostering the importance of the relationship between mankind and environment.
- To build an atmosphere that will instill in the learners sensitization towards issues such as gender inequality, differently abled students, etc.
- To encourage and instill in the students a sense of social responsibility.
