

ABOUT THE COLLEGE

Presidency College is the only NAAC Accredited Government College in Kangpokpi District. It was established on the 10th July, 1973, with the specific aim of nurturing the tribal community in the hilly areas of Kangpokpi district of Manipur

The college started as a ray of hope for providing possible facilities and available resources to the underprivileged tribal people of Motbung village specifically but now it stands as a source of knowledge, good works and inspiration to the people of Manipur as a whole. The forerunner of this noble voyage is the then founder Principal late Pu. Henkholen Sitlhou M.A, BT, LL.B and with a composite group of local enthusiast in the late 1970s. At present, Dr. Sheikho hao Kipgen is the Principal of the institution.

The National Assessment and Accreditation Council is an autonomous body in India that evaluates and accredits higher education institutions based on parameters such as teaching quality, infrastructure, research, governance, and student support, assigning grades that reflect institutional standards.

Presidency College, Motbung, as the only NAAC-accredited institution in Kangpokpi district, demonstrates its commitment to quality education. This accreditation enhances the credibility of the college and adds significant value to students' degrees, improving their prospects for higher studies, competitive examinations, scholarships, and employment, as many universities and employers prefer candidates from accredited institutions.
